

Resources for employers

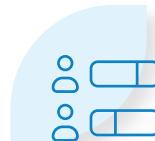

Use these tools and online resources to help you streamline your Plan administration and highlight the value of the modern DB pension you offer. Share this with your hiring managers, Talent Acquisition and Total Rewards teams, so your whole organization can leverage the power of your pension. To access all of these resources, visit www.caatpension.ca/employers.

Recruitment Toolkit

The Recruitment Toolkit is your sidekick in the marathon for talent. This flexible resource helps you highlight the valuable pension benefit you offer to potential candidates, giving you a competitive edge in the hiring market. Visit

www.caatpension.ca/recruitwithcaat

Insights Panel for Employers

Be a CAAT “insider.” Join our Insights Panel for Employers to provide input on new services, test drive new resources, and share feedback that will shape CAAT’s future offerings. You’ll participate in short surveys and polls that will help us evolve our products and services to meet your unique business needs. To join the panel, send us an email at contact@caatpension.ca.

One-on-one customized sessions

Connect with us now to book your 30-minute customized virtual session with our Recruitment Toolkit experts. Get insights on how to use the toolkit resources on your careers pages, and ideas for using the pension you offer to attract top talent. Email debora@caatpension.ca to schedule your session.

Employer resources

Visit the employer resources page on CAAT’s website for a variety of downloadable fact sheets, templates, and key messages that you can use to speak to your employees about their pension and its value. These ready-to-use resources are available in English and French at www.caatpension.ca/employers/resources
